Mr. Justin Bowerman
Ecology and Environment
6777 Engle Road
Suite N
Middleburg Heights, Ohio 44130

Dear Mr. Bowerman:

As per our phone conversation and your request of September 11, 2000, I am enclosing copies of the ODNR water well logs that are part of the file for the Sam Winer Property and surrounding area. I hope these logs will be of help to you.

Sincerely,

Conni McCambridge

Geologist 3

NOTE:

Regulations require, under penalty of law, to file this well log report.

Mail this original log to the Summit County Health Department within ten days after the completion of the drilling of the well.

Give accurate description and depths of various formations encountered.

Use accurate means for measuring quantity of water produced during test. Show on the sketch above the distances of the well to the nearest sources of contamination, such as, sewer lines, septic tanks, leaching devices, privies, manure piles, etc.

Do not drill well at any location not sufficiently removed from sources of contamination.

Consult the Health Department regarding location in questionable cases.
